## FOREWORD

Wellington and District Shorthorn Breeder's Club are pleased to present this Consignment Sale of Shorthorn breeding stock. All cattle have been inspected and have been found to be sound in every way.

We invite you to inspect this fine consignment of breeding stock. They represent some of the top herds and sires of the province. You can rest assured that the cattle you may buy will be most profitable to you whether you own a purebred or commercial beef herd.

If you are considering doing any cross breeding, remember some Shorthorn blood is a must in that program, to be successful.

Did you know approximately 30 breeds of pure bred cattle in the world carry some Shorthorn blood in their ancestry?

We hope you will be with us on sale day, however, mail bids may be sent to W.L. Elliott, Secretary, Ontario Shorthorn Club, R.R. 4, Guelph, Ont. Phone 519-822-1799, or Smith R. Griffin, Sale Manager, Acton, Ont., phone 519-833-2369.

The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves not to be a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above.
